An ISO 9001:2015 Certified Organisation

The National Metrology Laboratory

About us

The National Metrology Laboratory is the custodian of the Seychelles national reference standards for mass, length, temperature, volume and pressure which are traceable to higher international standards. NML also provides a calibration service to industries and institutions for measuring instruments such as pressure gauges, thermometers, balances, weights, volumetric measures, mass pieces and dosimeter analysis.

Our services

01 Pressure

Equipment	Cost (SCR)
Pressure Gauges	437.50

02 Temperature

Analysis	Cost (SCR)
Thermometers	437.50

03 Balances

Equipment	Cost (SCR)
Precision Balances below 10 kg	500.00
Precision Balances above 10 kg	875.00
Non- electronic balances below 10 kg	250.00
Non- electronic balances above 10 kg	375.00

04 Dosimeter

Equipment	Cost (SCR)
Analysis	112.50

05 Volume

Equipment	Cost (SCR)
Mesures of 1 Litre or below	312.50
Capacity above 1 litre, additional charge of	562.5/L
Micropipette	437.50
Dispensette	437.50

06 Length

Analysis	Cost (SCR)
Vernier Caliper	312.50
Micrometer	312.50

07 Mass

Equipment	Cost (SCR)
Set of ten mass pieces	1875.00
Any additioanl weights between 500 to 10 Kg	250.00

08 Force

Analysis	Cost (SCR)
Compression machine	1875.00
